

## Ipswich Cabinetry Again Earns National Awards

For Immediate Release

Milwaukee, WI - The Cabinet Makers Association is pleased to announce Ipswich Cabinetry, Inc. of Ipswich, MA, is a winner in four categories judged in its annual national awards program.

“This annual contest is judged by a double blind panel of industry peers to promote and acknowledge our member’s top notch projects,” Dave Grulke, the CMA’s Executive Director said. “It’s inspiring to see the level of talent and execution at Ipswich Cabinetry. The 11 awards that they have garnered over the last four years demonstrates a consistent commitment to delivering the highest quality of product and services to their clients.”

Mark Welling, Ipswich Cabinetry President, said, “We are both honored and humbled by this national recognition of the work of our meticulous craftsmen and our old school approach. I thank our great clients who challenge us with the opportunity to create such unique projects.”

Mr. Grulke concluded, “Please join us in congratulating Ipswich Cabinetry, Inc. in their outstanding accomplishment in winning these prestigious awards.”

Winning entries were recognized at a press conference at the AWFS show in Las Vegas, NV. Ipswich Cabinetry received two First Place and two Second Place awards. Their award categories included: Green Project, Commercial Project, Architectural Millwork, and Closet Finish. Ipswich Cabinetry, Inc. has been providing custom cabinetry and millwork for the greater Boston metropolitan area since 1995, and recently expanded their plant with a new separate spray facility. They are a full service production facility from design and fabrication through finish and installation. Their cutting edge plant utilizes CAD design and CNC production to provide accurate, cost effective and on schedule delivery of product for both the residential and commercial markets.
